### **Re-gifting Helps Rescued Horses**

Magnolia, Texas, December 27, 2007 — **Adopt-A-Foal & Equine Rescue, Inc.** is helping community members extend the holiday spirit through re-gifting. Turn your unwanted presents into a tax deduction for yourself and an auction item for **Adopt-A-Foal & Equine Rescue, Inc.** Our rescue is looking for recycled presents to help our “recycled” horses. We all receive presents from well-meaning neighbors and family members which are just not an item we like or can use. Whether it's a picture frame, a lighted water fountain with soothing sounds that just doesn't match your décor or a sweater the wrong size and color, we all get items that aren't right for us. Instead of letting those items clutter your home or be shoved to the back of your closets, **Adopt-A-Foal & Equine Rescue, Inc.** invites you to turn them into a tax deduction!

**Adopt-A-Foal & Equine Rescue, Inc.** accepts re-gifting items throughout the year at our facility, located at 310 Ruel Road Magnolia, Texas 77355, but acting now and donating items by December 31st will help out with your 2007 tax deductions!

The gifts will be used as auction items for **Adopt-A-Foal & Equine Rescue, Inc.**'s upcoming events in 2008. The money raised from these fundraising events goes directly to the benefit of the horses that we care for each year. The cost of farrier and medical care is often the greatest factor for some horses, but feed, hay and electricity are also needed in the day-to-day operations at the rescue. **Adopt-A-Foal & Equine Rescue, Inc.** takes on several fundraising projects each year to make ends meet, including the our Recycling Program for used cell phones, ink jet and toner cartridges.

**Adopt-A-Foal & Equine Rescue, Inc.** is a non-salaried, 501c3 equine rescue committed to reducing the suffering and senseless slaughter of orphaned foals and unwanted and/or neglected equine in the United States.

For additional information on our rescue and birthday/holiday donations, please contact: Marian Mastin @ 281-356-6644 or send emails to mmastin@adoptafoal.org.
